

ACCOUNTING AND ECONOMICS SOCIETY

JUNIOR ACCOUNTING THEORY CONFERENCE 2027

CALL FOR PAPERS · JATC

June 6, 2027 · The Wharton School
University of Pennsylvania · Philadelphia, Pennsylvania

Call for Papers

The **Junior Accounting Theory Conference** provides a forum for junior researchers working on accounting theory and theory-based estimation. The conference takes place at Wharton on the day after the AES Congress.

We invite working papers using formal theory and economic models to study accounting questions, as well as research connecting those models to data through theory-based estimation.

Projects at all stages of the research process are welcome, including early-stage work. The emphasis is on the development and discussion of research in accounting theory.

Paper Submissions

[Submit a JATC paper](https://form.jotform.com/262924214030143)
form.jotform.com/262924214030143

Complete the JATC form with the title, abstract, authors, affiliations and contact details, plus one PDF, maximum **5 MB (5120 KB)**. JATC and Congress have separate submission forms.

For a larger file, choose the emailed-paper option and send the PDF to acceconsociety@gmail.com; subject: **AES 2027 JATC submission — [paper title]**. Both the form metadata and uploaded or emailed PDF are due by the deadline.

Attendance

No attendance fee

[AES membership](#) is required to attend, not to submit a paper. Membership dues are separate. Registration is not yet open; Wharton will handle formal attendance registration later.

Wharton campus · University of Pennsylvania, Philadelphia

Important Dates

Paper deadline · Monday
February 1, 2027
11:59 p.m. EST (UTC-5)

June 1–3, 2027	Accounting Theory Summer School
June 4–5, 2027	AES Congress
